Visit Us On-line

The best way to get news about your club is to attend the meetings every 1st and 3rd Thursday of the month. If you can't make the meeting be sure to check out our web site for the latest information.

Thank you to those of you who have signed up to receive your newsletter via the web. We hope that more of our members will follow in your foot steps.

We have received requests to have the newsletter emailed to you or to be notified of when the next newsletter is available on line. At this time we do not have plans for the notification or to email the newsletter. This will be an enhancement that we hope to make at some point down the road.

If you have access to the Internet and would like to *save your club money*, please drop us an email and let us know that you are willing to read your newsletter from our web site.

For special occasions or when we are sending tickets to our members, we will send our newsletter through the mail.

Help your club as well as the Jefferson community. This is the biggest fundraiser for our organization and your help is needed to make it a success. The carnival will run from July 14 -19. Help is needed the week before to set up the stands, the week of the carnival to help work in the stands and the week after to help tear everything down. If you can help out even once your time and energy will be appreciated. No experience is necessary. We need your help.
